## March 2021

Dear Parents and Carers,

It has been really great to have all the children back in school these last four weeks. They have settled back well and although tired at times, are fully engaged in their learning and being with their friends.

Thank you for adapting your journey to school whilst there have been road closures. It seems that the work is nearly completed so thank you for using the Dragon car park to avoid congestion in Blackhouse Road. If you are a regular walker from the Dragon, we have had a request from a resident of Springfield Lane to be mindful of noise on the lane. In order to support our villagers, I have promised to relay the message.

We have had some recent governor changes and the new list is now on our website. If you would like to make contact with any of parent governors, these are Joanne Lintern Goodall, Marius Karsten Strydom or Tony Lintern.

Mrs Lawrence and Mr Dale have resigned their posts as governors. As volunteers to this role, we greatly appreciate their time and the support given to the school and to the staff.

A paper letter about clubs starting after Easter will be coming home tomorrow—please look out for this.

You may have seen our beautiful new mural in the staff car park. Thank you to Mike Hair for this brilliant art work which includes all of our class trees.

Have a really lovely Easter break and we'll see you again on Monday April 19th,

Kind regards,  
Mrs Winn
